

The Sakata logo is a green rectangular banner with a white border, containing the word "SAKATA" in white, bold, sans-serif capital letters. A registered trademark symbol (®) is located at the top right of the banner. The background of the entire image is a vibrant collage of pink and magenta flowers, likely Impatiens, with dark green foliage. The top right corner features a yellow and orange gradient with white wavy lines. The bottom left corner has a teal background with white line-art illustrations of a flower and leaves.

Brightening The **WORLD!**

New Varieties
2022 to 2023

New Varieties 2022 to 2023

At Sakata, we are proud to make the world a more beautiful place. This year, we present thirty-eight new additions to our product line, including three new series, each of which represents our values of bringing the best and brightest products to market.

For over 108 years, Sakata has sought to provide the ultimate gardening experience. Each of our new introductions has been rigorously trialed and refined with you at the forefront of our minds. With a strong focus on uniformity, timing, profitability and on-trend colors, our newest varieties are sure to provide endless production and garden success!
